License Review

The Licensing Committee considers license requests and makes recommendations for approval, conditions, or denials to the Board of Review. All required documents, exam, name-based judicial record review, and application fee must be complete before the license request is placed on the Licensing Committee meeting agenda. The deadline to submit the completed application and all required documents to PPRBD is three (3) weeks prior to the Licensing Committee meeting. The deadline to submit supplemental application documents to PPRBD, including but not limited to additional relevant experience, is ten (10) calendar days prior to the Licensing Committee meeting; any documents submitted to PPRBD past the 10-calendar day deadline will result in the license application remaining in "incomplete" status and its possible consideration at the next month's Licensing Committee meeting. **No exceptions to this requirement shall be considered by PPRBD staff.** License approvals, conditions, or denials are recommendations by the Licensing Committee and must be approved by the Board of Review, which meets the following week.

License Issuance

Within sixty (60) days of the Board of Review's approval, the Applicant must obtain the license. After sixty (60) days, an unclaimed license is voided, the entire application file is discarded, and the Applicant must reapply. Work cannot be consulted for, contracted for, or performed until the license is issued.

PPRBD accepts ICC National Standardized or ICC Colorado Standard exams taken and passed in 2012 or later. No out-of-state exams will be accepted. See ICC Testing for more information. License fees are paid before license issuance. Fees are NOT prorated for a portion of the year.
